Only the VDE's "General terms and conditions" are valid. They are published on our homepage [www.vde.com/Terms-Institute](http://www.vde.com/Terms-Institute).

Any particular country taxes (i.e. Business Tax, Withholding Tax, taxes due to non-resident taxation ...) and other charges of the country of the invoice recipient shall be strictly borne by the invoice recipient as long as according to a foreign law the obligation to deduct tax is stipulated. They do not reduce the amount due to VDE Institute!

The approval holder, the customer and the invoice recipient are jointly and severally liable for the correct calculation and payment of foreign taxes and other charges and have to indemnify upon first request VDE Institute from any loss or damage that result from failure of the party liable for payment to fulfill tax duties.

Only after receipt of the full invoiced amount the requirements for the notification of the test results according to our terms (PM102) are met.

Any direct and indirect losses or damages have to be compensated.

This refers especially to: Any additional tax claims, punitive taxes and fees, litigation costs and other costs associated with unpaid or incorrectly paid taxes and charges.

These incidents establish a severe infringement against the Testing and Certification Procedure (PM102) and may lead to the withdrawal of all existing approvals and the publication thereof on the internet and/or a fine may be imposed.
